

Paradise Lost is an epic poem in blank verse by the 17th-century English poet John Milton (1608–1674). The first version, published in 1667, consisted of ten books with over ten thousand lines of verse. A second edition followed in 1674, arranged into twelve books with minor revisions throughout and a note on the versification. It is considered by critics to be Miltons major work, and it helped solidify his reputation as one of the greatest English poets of his time.
