

Peter and Wendy

Sir James Matthew Barrie, 1st Baronet, OM (9 May 1860 – 19 June 1937) was a Scottish author and dramatist, the child of a family of small-town weavers, and best remembered today as the creator of Peter Pan. He was educated in Scotland but moved to London, where he developed a career as a novelist and playwright. There he met the Llewelyn Davies boys who inspired him to write about a baby boy who has magical adventures in Kensington Gardens (included in *The Little White Bird*), then to write *Peter Pan, or The Boy Who Wouldn't Grow Up*, a fairy play about an ageless boy and an ordinary girl named Wendy who have adventures in the fantasy setting of Neverland. *Peter Pan* quickly overshadowed his previous work, although he continued to write successfully, and it became his best-known work, credited with popularising the name Wendy, which was very uncommon previously. Barrie unofficially adopted the Davies boys following the deaths of their parents. Barrie was made a baronet by George V in 1913, and a member of the Order of Merit in 1922. Before his death, he gave the rights to the *Peter Pan* works to Great Ormond Street Hospital for Children in London, which continues to benefit from them.
