

Phantastes: A Faerie Romance for Men and Women with Readers Guide

C. S. Lewis reports that this book by George MacDonald baptized his imagination. It would take years, but eventually this baptism would contribute to Lewis conversion to Christianity. Lewis also writes that there isnt anything that he had written that had not been influenced by the writings of MacDonald. Given the influence of Lewis, it is astonishing that it has taken the world so long to discover George MacDonald- but discovering, it is. This faerie romance calls forth the question: is there more to reality than meets the eye? Though first published in 1858, a new edition was commissioned in 1905 by George MacDonalds son, Greville MacDonald, with new illustrations by Arthur Hughes. This e-book reflects that updated edition. This electronic edition also comes with a readers guide by DJ Thompson to help readers intelligently engage the text. This guide is copyrighted. The clickable table of contents will allow the reader to easily skip this section if they desire.
