

Pilgrims Progress (Hodder Classics)

Walking through the wilderness of this world I came upon a place where there was a hollow. There I lay down to sleep: and as I slept I dreamed a dream. Pilgrims Progress tells the story of Christian and his spiritual pilgrimage from the City of Destruction to the Celestial City. On his journey he experiences joy, struggle, temptation, and danger during his memorable encounters with such characters as Pliable, Talkative, Giant Despair, Worldly-Wiseman, Evangelist, Apollyon, Faithful, Hopeful, and Ignorance. One of the most significant works in the English language, it has encouraged and inspired generations of Christians in their own spiritual journeys.
