

## Racketty-Packetty House, as Told by Queen Crosspatch (Illustrated)

I am still uncertain which surprised me more, the telegram calling my attention to the advertisement, or the advertisement itself. The telegram is before me as I write. It would appear to have been handed in at Vere Street at eight o'clock in the morning of May 11, 1897, and received before half-past at Holloway B.O. And in that drab region it duly found me, unwashed but at work before the day grew hot and my attic insupportable. See Mr. Maturins advertisement Daily Mail might suit you earnestly beg try will speak if necessary
