

St. Thomas Aquinas

2011 Reprint of 1943 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. St. Thomas Aquinas is enriched by the authors unique ability to see the world through the saints eyes, a fresh and animated view that shows us Aquinas as no other biography has. Acclaimed as the best book ever written on Aquinas by such outstanding Thomists as Jacques Maritain, Etienne Gilson, and Anton Pegis, this brilliant biography will completely capture the reader and leave him desirous of reading Aquinas own monumental work.
