

She and Allan

Wanting to learn if he can communicate with deceased loved ones, adventurer and trader Allan Quatermain seeks a meeting with the feared Zulu witch-doctor Zikali, who tells Allan to seek out a great white sorceress who rules a hidden kingdom far to the north, and he charges Allan to take a message to her. He also gives Allan a necklace with a strange amulet, carved in Zikalis own likeness. Zikali claims it has great magical powers that will protect Allan on his journey, but he must on no account take it off.
