

Sheilas Guide to Fast & Easy Beijing (Fast & Easy Travel Book 13)

Travels With Sheilas Guide to Fast & Easy Beijing will not give pages of information about the Forbidden City, Mao lying in waxy State, or other important sights that can easily be found on the Internet or from your tour operator; only a brief synopsis is included. Instead, Sheila would like to talk about her favorite Beijing sights; where she likes to shop; walk; how to use the subway and trains; navigate enormous Capital Airport (soon to be replaced by an even bigger airport); and encourage you to visit Beijing. Been there, and done it? There's plenty left to see on your next trip to, or through, Beijing. Let Travels With Sheila teach you how to Travel the World on a Budget, share exotic locations known only to locals, and most importantly, ease your fears about languages, currencies, personal safety and staying healthy. Follow her advice to avoid making mistakes she learned the hard way. HERES SOME OF THE INFORMATION YOU'LL FIND INSIDE...- Important Tips for Traveling in China.- The Dos and Donts of Planning A Trip to Beijing.- Moneysaving Tips for Beijing.- See the Best of Beijing. Now, Travels With Sheila tells it like it is with personalized, up-to-date information, and photographs to make the most of your trip in the once Forbidden City of Beijing.
