

Complete Sherlock Holmes 4 Volume [Boxed set slipcase with magnetic closure] (The Complete Sherlock Holmes The Heirloom Collection)

Sir Arthur Conan Doyle's Sherlock Holmes tales are rightly ranked among the seminal works of mystery and detective fiction. The handsome packaging and splendid illustrations in this limited edition collection more than befit that classic status. Included are all four full-length Holmes novels and more than forty short masterpieces—from The Adventures of Sherlock Holmes to The Case Book of Sherlock Holmes and more. At the center of each stands the iconic figure of Holmes—brilliant, eccentric, and capable of amazing feats of deductive reasoning. By his side is Dr. John Watson, his steadfast assistant and our trusty narrator. This set is a must-have for every discriminating bibliophile and Sherlock Holmes fan. This collectors edition includes: A Study in Scarlet, The Sign of Four, The Hound of the Baskervilles, The Valley of Fear, His Last Bow, Adventures of Sherlock Holmes, Memoirs of Sherlock Holmes, The Return of Sherlock Holmes, and The Case Book of Sherlock Holmes. A deluxe embossed slipcase with magnetic closure. Four hardcover volumes each featuring a ribbon marker and four-color illustration throughout.
