

Sherlock Holmes - A Study in Scarlet: Illustrated Edition (THE WORKS OF SIR ARTHUR CONAN DOYLE) (Volume 1)

A STUDY IN SCARLET was Sherlock Holmes first adventure, and the first sale for the author, Sir Arthur Conan Doyle. We immediately see that Dr. Watson, Holmes confidante and side-kick has a background very similar to the authors. The good doctor enumerates Holmes; faults (starting with his habitual use of cocaine), as well as his more numerous good points (especially the detectives knowledge of chemistry and his violin playing). The story is a tale that shows Holmes genius, but is also notable for Conan Doyles apparent treatise on the Mormon religion. The events occur on two continents, and only Holmes (of course) can solve the riddle!
