

The Squaw

Nurnberg at the time was not so much exploited as it has been since then. Irving had not been playing Faust, and the very name of the old town was hardly known to the great bulk of the travelling public. My wife and I being in the second week of our honeymoon, naturally wanted someone else to join our party, so that when the cheery stranger, Elias P. Hutcheson, hailing from Isthmian City, Bleeding Gulch, Maple Tree County, Neb. turned up at the station at Frankfort, and casually remarked that he was going on to see the most all-fired old Methuselah of a town in Yurrupe, and that he guessed that so much travelling alone was enough to send an intelligent, active citizen into the melancholy ward of a daft house, we took the pretty broad hint and suggested that we should join forces.
