Stephen F. Austin State University opened its doors in 1923, and its administrators instituted intercollegiate athletics almost immediately. Over the next eight decades, the Lumberjacks and Ladyjacks--team names derived from the areas predominant forest products industries--participated successfully in the Lone Star, Gulf Star, and Southland Conferences. Such outstanding Lumberjacks as James Silas, Mark Moseley, and Jeremiah Trotter have even gone on to successful careers in the NBA and NFL. This book offers readers a retrospective look at the success of SFAs athletic programs, as well as the players, coaches, and fans that led them to victory.
