

StreetSmart Brooklyn

Brooklyn StreetSmart maps all top attractions including museums, major architecture, hotels, historic sites, shopping centers, concert venues, and more - all at an immensely legible super-scale, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. The Brooklyn StreetSmart includes a stunning dimensional detail of Downtown, the Brooklyn Bridge, D.U.M.B.O. Greenpoint and Williamsburg, Coney Island, and Prospect Park. Edition also contains MTA Subway and LIRR stations to help you navigate to the rest of The City of New York.
