This is the story of my life and its not a happy one. If you wish to read about me youre welcome to but if youre looking for something to give you hope & joy comfort & inspiration then you had best leave off here straightaway and go find something else. My life has an abundance of frustration and pain plus a fair bit of sex and lots of killing and broken bones but its got precious little hope & joy comfort & inspiration. Its got some women in it too plus a wife. Dalila is the one you may have heard of and a rare piece of work she was. You may think you know the story but believe me theres more.--from The Book of Samson From the author of the acclaimed and provocative novels *Fallen* and *The Preservationist* comes a tale about a man who believes he is touched by the hand of God---then instructed by that God to slaughter his enemies. It is the story of this worldly existence of men & brutes desire & unkindness and of the woman, Dalila, who figures at the center of it all. In *The Book of Samson*, David Maine has created an unforgettable portrait, a unique and astonishing masterpiece that puts a face on a previously faceless icon.
