

Tales of the Jazz Age (Collectors Library)

Published in 1922, the eleven Tales of the Jazz Age feature the flappers and lost young men of the period as well as a great variety of characters and scenes. Among them, the critically acclaimed novella *May Day* contrasts drunken debutantes with a mob of war veterans battling socialists in the streets, *The Curious Case of Benjamin Button*, filmed with Brad Pitt, Cate Blanchett and Tilda Swinton, is a fantasy about a man who ages in reverse, and *A Diamond as Big as the Ritz* is a surreal fable of excess. With an Afterword by Ned Halley.
