

## Tarzan: Jungle Lord

Excellent, exhaustive fan-produced TARZAN reference volume from the Golden Age of Fandom. Published in 1970 by the still-esoteric Opar Press, this 35-page volume presents a clear, comprehensive print history of Burroughs's most famous character. Book titles (with illustrations of different editions - small, B&W, occasionally fuzzy, but nonetheless present!) as well as a generous sampling of early Burne Hogarth illustrated comic strips. Essential for any Burroughs or Tarzan collector - VERY hard to find!
