

## Adventures of Robin Hood

The story goes back to the time of Yore in a small town called Nottinghamshire in merry old England. It happened like this. On a bright day a young lad, while walking through the forest of Sherwood, chanced upon the Sherrifs soldiers and was innocently dragged into arguing with one of them. Consequently a duel followed between the soldier and the lad, in which the soldier accidentally gets killed. The young lad, in his panic runs away into the depths of the forest, thereby becoming a wanted man and an outlaw. HE IS ROBINHOOD OF SHERWOOD FOREST !
