

The Classic Childrens Novel The Adventures of Tom Sawyer By Mark Twain Samuel Langhorne Clemens The Adventures of Tom Sawyer by Mark Twain is an 1876 novel about a young boy growing up along the Mississippi River. It is set in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived. Tom Sawyer lives with his Aunt Polly and his half-brother Sid. He skips school to swim and is made to whitewash the fence the next day as punishment. He cleverly persuades his friends to trade him small treasures for the privilege of doing his work. He then trades the treasures for Sunday School tickets which one normally receives for memorizing verses, redeeming them for a Bible, much to the surprise and bewilderment of the superintendent who thought it was simply preposterous that this boy had warehoused two thousand sheaves of Scriptural wisdom on his premises—a dozen would strain his capacity, without a doubt. Tom falls in love with Becky Thatcher, a new girl in town, and persuades her to get engaged by kissing him. But their romance collapses when she learns Tom has been engaged previously to Amy Lawrence. Shortly after Becky shuns him, he accompanies Huckleberry Finn to the graveyard at night, where they witness a trio of graverobbers, Dr. Robinson, Muff Potter and the halfbreed Injun Joe, getting into a fight. While Potter is knocked unconscious during the scuffle, Injun Joe stabs the doctor to death and later pins the blame on Potter, who is arrested and charged with murder. Tom and Huck run away to an island. While enjoying their new-found freedom, they become aware that the community is sounding the river for their bodies. Tom sneaks back home one night to observe the commotion. After a brief moment of remorse at his loved ones suffering, he is struck by the idea of appearing at his own funeral. Back in school, Tom gets himself back in Beckys favor after he nobly accepts the blame for a book she has ripped. Soon, Muff Potters trial begins, in which Tom testifies against Injun Joe. Potter is acquitted, but Injun Joe flees the courtroom through a window. Tom then fears for his life as Injun Joe is at large and can easily find him.
