

## The Duel (The Art of the Novella)

About This Book Hate you! Laevsky said quietly, breathing heavily. Ive hated you a long time! This new translation of the literary masterpiece which combines a beautiful romance with high suspense is here presented for the first time as a stand-alone volume. One of Chekhov's most important lengthy works, this remarkable story gives a startling twist to his classic, ongoing study of bourgeois romance when he sets it on a collision course with a decaying, Czarist concept of honor. It ends in the ultimate Chekhovian observation: that fate is often ludicrous.
