

About This Book Hate you! Laevsky said quietly, breathing heavily. I've hated you a long time! This new translation of the literary masterpiece— which combines a beautiful romance with high suspense— is here presented for the first time as a stand-alone volume. One of Chekhov's most important lengthy works, this remarkable story gives a startling twist to his classic, ongoing study of bourgeois romance when he sets it on a collision course with a decaying, Czarist concept of honor. It ends in the ultimate Chekhovian observation: that fate is often ludicrous. This Is An Enhanced eBook This eBook contains Illuminations—additional illustrated material that expand the world of Kleist's novella through text and illustrations—at no additional charge.
