

The Redheaded Outfield and Other Baseball Stories is the timeless classic novel by Zane Grey. The stories capture all of those features of baseball, from the struggling minor league teams to the crippled boy with an extraordinary understanding of the game to the mega-fan. There is also mention of how the owner of the team can force the players to play an exhibition game even though they are dead-tired from their grueling schedule. For any boy who likes baseball-and where is the boy who doesn't?-this collection of eleven tiptop baseball stories by a world-famous author is a natural. Millions of readers have hailed Zane Grey as a writer of Western stories but, strange to say, few of them know that he was once a college and professional baseball player. Colorful personalities sprint through the pages in a succession of fast-paced, thoroughly satisfying stories written with a sure knowledge of the game by a past master of action yarns. The Redheaded Outfield; Classic Baseball Story (Annotated and Illustrated) includes detailed biography and photo gallery of Zane Grey.
