

The Complete Poems (Penguin Classics)

John Milton was a master of almost every type of verse, from the classical to the religious and from the lyrical to the epic. His early poems include the devotional *On the Morning of Christs Nativity*, *Comus*, a masque, and the pastoral elegy *Lycidas*. After Cromwells death and the dashing of Miltons political hopes, he began composing *Paradise Lost*, which reflects his profound understanding of politics and power. Written when Milton was at the height of his abilities, this great masterpiece fuses the Christian with the classical in its description of the fall of Man. In *Samson Agonistes*, Miltons last work, the poet draws a parallel with his own life in the heros struggle to renew his faith in God.
