

Pigs In Heaven

Pigs In Heaven opens in rural Kentucky, where Alice Greer has woken up in the middle of the night, feeling lonely. She walks outside in her nightgown, imagining herself the queen of her own humble garden. Her husband Harland and his fetish with their T.V. provides her little warmth. She thinks about her cousin, Sugar, her girlhood companion. Although now Sugar lives out in Oklahoma, on the Cherokee Nation, the thought of her makes Alice feel less alone. Meanwhile, Alice's daughter Taylor and Taylor's adopted daughter Turtle are visiting the Hoover Dam, one of their stopping points on their tour of the Grand Canyon. When Turtle sees a man-Lucky Buster-fall off the edge of the dam, Taylor and Turtle hound down a rescue team, and are immediately catapulted into the media spotlight. After driving Lucky Buster home, they return home to Tucson, only to prepare for a trip to Chicago to appear on Oprah.
