

The Eustace Diamonds Part 1 Of 2

Part One Of Two Parts Young and widowed, Lizzie Eustace makes bold to keep a family necklace given to her by her late husband. The in-laws consolidate against her. Trollope understands the Victorian obsession with property and gives us a fine detective story, political novel and ironic romance into the bargain. (B-O-T Editorial Review Board) THE EUSTACE DIAMONDS, written in 1873, is third in the Palliser series following PHINEAS FINN.
