Daily Lit This is definitely my

favourite classic, I loved the dark atmosphere of the book, and the setting being Notre-Dame, which is one of my favourite places in Paris. Its not entirely dark and horrible, there are times when it can be humorous, but its brutal in terms of showing what obsession can become when its misunderstood as love and the true form of love shown by other characters. Leah I read and reread this for as much as I can, I love it that much. Set in 15th century Paris, its unlike any other classic. Kristin THE HUNCHBACK OF NOTRE-DAME is one of the most exciting and beautiful gothic love stories and adventures of all time. Presented in a beautiful edition specially designed for kindle, this is Hugos masterpiece which will stay with you forever. Esmerelda, a Gypsy girl, captures the heart of Quasimodo, who lives hidden away in the bell towers of Notre Dame. This is a thrilling tale of love, betrayal, and redemption.
