

Stories from the Jungle Books (Childrens Classics)

This enchanting collection of stories captures the adventures of the man-cub Mowgli as he struggles to find his place among the animals of the jungle and the humans of the nearby villages. Among these selections are stories from both the first and second volumes of Rudyard Kipling's beloved Jungle Books. This collection includes Mowgli's Brothers, Kaas Hunting Tiger! Tiger! Letting in the Jungle, and more! These stories are for adults as well as children because, as true classics, they are moral tales. The text is superbly read. Highly recommended. ?Library Journal
