

## The Last of the Plainsmen

Buffalo Jones needs no introduction to American sportsmen, but to these of my readers who are unacquainted with him a few words may not be amiss. He was born sixty-two years ago on the Illinois prairie, and he has devoted practically all of his life to the pursuit of wild animals. It has been a pursuit which owed its unflagging energy and indomitable purpose to a singular passion, almost an obsession, to capture alive, not to kill. He has caught and broken the will of every well-known wild beast native to western North America. Killing was repulsive to him.
