

Flappers and Philosophers [Annotated]

In addition to this classic text *Flappers and Philosophers* by F. Scott Fitzgerald, you will receive bonus materials to help you with your critical analysis or further understanding of this book. The bonus materials include: a review of the book from knowledgeable writers, a brief biography, and relevant reviews regarding the author, the author's writing styles, or other relevant history. Each of these bonus materials may assist students in studying for tests and final exams, writing term papers, and preparing reports or presentations. In addition, the editors, both with doctorate degrees, rely on their teaching experience to compile a list of The 10 Tips from 10 years of College Teaching to help students avoid errors that may influence grades. No amount of summarization, reviews or critical analysis can replace actually reading the book. And these articles only reflect a few of the sources at your disposal. This version includes web sites for additional information.
