

Emperor and the Nightingale

The Emperor and his court in ancient China discover a little grey bird with an enchanting song. But when the Emperor is presented with a jewel-encrusted, artificial singing bird, he banishes the nightingale from his court. Years later, he realizes that the song of the real nightingale is the true treasure. With profound simplicity, this classic tale from Hans Christian Andersen will captivate young and old alike. Ages 6 and up. Illustrated by Robert Van Nutt. Part of the award-winning Rabbit Ears Storybook Classics series.
