

The Scarlet Letter (Websters Afrikaans Thesaurus Edition)

Websters paperbacks take advantage of the fact that classics are frequently assigned readings in English courses. By using a running English-to-Afrikaans thesaurus at the bottom of each page, this edition of *The Scarlet Letter* by Nathaniel Hawthorne was edited for three audiences. The first includes Afrikaans-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL? or TOEIC? preparation program. The second audience includes English-speaking students enrolled in bilingual education programs or Afrikaans speakers enrolled in English-speaking schools. The third audience consists of students who are actively building their vocabularies in Afrikaans in order to take foreign service, translation certification, Advanced Placement? (AP?) or similar examinations. By using the Websters Afrikaans Thesaurus Edition when assigned for an English course, the reader can enrich their vocabulary in anticipation of an examination in Afrikaans or English.
