

The Story of a Calico Clown

To-night we shall have a most wonderful time, said the Elephant from the Noahs Ark to a Double Humped Camel who lived in the stall next to him. What kind of a time? asked the Camel. He stood on the toy counter of a big department store, looking across the top of a drum toward a Jack in the Box who was swaying to and fro on his long spring. What do you call a wonderful time, Mr. Elephant?
