

His is the voice of a generation. During his own time, however, Francis Scott Fitzgerald, author of *THE GREAT GATSBY* and other now-revered works, was known primarily through the voice of Amory Blaine. Narrator and protagonist of Fitzgerald's semi-autobiographical *THIS SIDE OF PARADISE*, Amory Blaine is the privileged son of a fading era. Handsome and intellectually ambitious—he struggles to find meaning and value during a period when those qualities are increasingly difficult to define. After the first horrific world war, Gertrude Stein labeled Fitzgerald's contemporaries "the Lost Generation." The post-war young found themselves unable and unwilling to revive the goals and mores of their parents. F. Scott Fitzgerald spoke for that generation as a young author and established his claim as one of the leading—if not THE leading—American writer of the first half of the twentieth century.

The Works Of Jonathan Swift V8 (1801), En Fallit: Skuespil I Fire Handlinger (1878) (Chinese Edition), Alice In Wonderland, Lucius Davoren; Or, Publicans and Sinners. a Novel. by the Author of Lady Audleys Secret [I.E. Mary E. Braddon, Afterwards Maxwell], Etc., Six Little Bunkers at Grandma Bells, Les mysteres de Marseille (French Edition), The Catskills: A Geological Guide, The ?neid of Virgil, Jimbo,
