

Tourism Tattler July 2014 (Volume 8)

In the July edition, we feature the Great White Shark under our Attractions section, provide the latest inbound travel and hotel occupancy statistics in the Business section and, in celebration of Botswanas Okavango Delta listing by UNESCO on 22 June, we publish a hyper-linked list of all World Heritage sites in Africa. Our Property Review this month features Hotel Verde in Cape Town. In the Hospitality section, part 2 of our Wine Appreciation series delves deeper into wine knowledge with Labels, Styles and Viticulture. Under Marketing, we provide tips in how to create Brand Ambassadors, while our Niche Tourism section looks at Voluntourism. We also have two reader competitions in this edition and dont forget to post your comments online to win yet another prize.
