

## Tripbuilder Las Vegas

Zoom up a rollercoaster set atop a casino, head down to a unique wine cellar with one of the finest collections in the world, or stay level at the only casino with lions roaming its floor. Its all in the Las Vegas TripBuilder! Informative sight descriptions unearth little-known anecdotes, unique facts, and practical advice (like when to go, how to get there and what it will cost). Color coding tells you whether a sight is a landmark casino, hi-thrill, astounding attraction, superior shopping spot, noteworthy act or nightclub, or themed drinks & eats. DETAILED FOLD-OUT MAP shows exactly where each color-coded sight is located. Special Suggestions to make your trip even more memorable. Lightweight, easy to carry and a great value.
