

## Twelfth Night: Premium Edition - Illustrated

Why buy our paperbacks? Standard Font size of 10 for all books High Quality Paper Fulfilled by Amazon Expedited shipping 30 Days Money Back Guarantee BEWARE of Low-quality sellers Dont buy cheap paperbacks just to save a few dollars. Most of them use low-quality papers & binding. Their pages fall off easily. Some of them even use very small font size of 6 or less to increase their profit margin. It makes their books completely unreadable. How is this book unique? Unabridged (100% Original content) Font adjustments & biography included Illustrated About Twelfth Night by William Shakespeare Twelfth Night, or What You Will is a comedy by William Shakespeare, believed to have been written around 1601/02 as a Twelfth Nights entertainment for the close of the Christmas season. The play centres on the twins Viola and Sebastian, who are separated in a shipwreck. Viola (who is disguised as a boy) falls in love with Duke Orsino, who in turn is in love with the Countess Olivia. Upon meeting Viola, Countess Olivia falls in love with her thinking she is a man. The play expanded on the musical interludes and riotous disorder expected of the occasion, with plot elements drawn from the short story Of Apollonius and Silla by Barnabe Rich, based on a story by Matteo Bandello. The first recorded performance was on 2 February 1602, at Candlemas, the formal end of Christmastide in the years calendar. The play was not published until its inclusion in the 1623 First Folio.
