

## The Musketeers: Twenty Years After (French Classics)

The Reunion of the Musketeers: In this sequel to *The Three Musketeers*, dArtagnan has completely lost touch with his friends. The group has been broken up. The two noblemen, Arthos and Porthos, have left the service and are living on their estates, Aramis has gone into the Church, and dArtagnan alone is still in the Kings guard. When Queen Anne needs again the groups service, Cardinal Mazarin commissions dArtagnan to go in search of his friends. *Twenty Years After* follows events in France during a civil war (the Fronde, 1648-1653), and in England at the time of Oliver Cromwell until the execution of King Charles I.
