

Jimbo

Algernon Henry Blackwood, CBE (14 March 1869 – 10 December 1951) was an English short story writer and novelist, one of the most prolific writers of ghost stories in the history of the genre. He was also a journalist and a broadcasting narrator. S. T. Joshi has stated that his work is more consistently meritorious than any weird writers except Dunsany's[1] and that his short story collection *Incredible Adventures* (1914) may be the premier weird collection of this or any other century
