

Seattle

For some, Seattle is the corner of the Northwest. For others, it is the headquarters for some of the worlds most recognized brands-Microsoft, Amazon.com, REI, Boeing, etc. For still others it is a destination, a vacation spot to see the likes of the Space Needle, Pike Place Market, or perhaps the stunning view of the Sound and the Olympic Mountains. The Emerald City seems to reside in our countrys psyche as our hope, our hype, our home-young, rambunctious, eager to imitate, out-innovate, and challenge the worlds reigning metropolitan centers. This photo-essay journey by acclaimed photographer Joel Rogers sets out to document the heart of the Northwestern culture and the soul of an urban mecca. Along the way, readers discover why its so easy to fall in love with Seattle.
