

Black Beauty (A Watermill Classic)

A horse never knows who may buy him, or who may drive him When Black Beauty is just a young colt, his mother warns him that a horse's life is often difficult. And this strong, handsome horse soon meets with many adventures and all types of people -- some kind and caring, others cruel and indifferent. But no matter what circumstances he encounters, nothing can break Black Beauty's spirit. Discover one of the most moving horse stories of all time in Anna Sewell's beloved novel.
