

Zoe & Zak and the Tiger Temple (Kids Adventure Series Book 3)

I am a big fan of the Zoe and Zak series. I think its the perfect action adventure series to hand to kids who have read every word that Rick Riordan has ever written. - PragmaticMom Amazon 5-star review Zoe and Zak have learned some things since their first semester at Moonstock Himalayan Academy in India: #1 Dont trust the parrots. #2 Dont eat the food. #3 Dont stick around if something crawls out of the lava hole beneath your school. And most important of all... #4 Dont make a rule you cant break. Last semester, Zoe and Zak returned the first lost Noble Truth to its rightful home. Now the seventh graders are back in India for their second semester at Moonstock, their boarding school high in the Himalayan mountains where magical things happen on a regular basis. School kicks off with the Activity Week Challenge in the tiny mountain kingdom of Bhutan, where the students must deliver medical supplies. Things take a turn for the worse when Zak becomes deathly ill after an encounter with a strange floating bubble. On returning to Moonstock, Zoe and Zak discover that a creature has come through the lava hole far below their dormitory. When Zoe and Zak follow the creature, they learn that they have been tasked with finding the second lost Noble Truth -- the Tiger Eye of Justice. Finding the Tiger Eye seems like an impossible mission, and its only made more complicated when Zak discovers that he has been given a powerful gift to help with the task. But Zaks new gift is a double-edged sword, and if Zoe and Zak dont find the Tiger Eye quickly, Zaks time will run out. The Tiger Temple takes Zoe and Zak deep into an exotic world of magical enchantment and heart-pounding action. It promises to be the most thrilling Zoe & Zak adventure yet. *If The Tiger Temple is your first Zoe & Zak book, dont forget to check out where it all started with the first book in the series -- Zoe & Zak

and the Ghost Leopard. After that, you can read Book Two, Zoe & Zak and the Yogis Curse. And yes, dont worry, Book Four is coming soon!
